

Harris County Juvenile Probation Internship

Dear Prospective Intern:

Thank you for your interest in an internship with the Harris County Juvenile Probation Department (HCJPD). To qualify for an internship you must be 21 years of age, enrolled in an accredited university, pass a criminal background check, and be subject to a fingerprinting background check. *The internship must be done for class credit, for no less than 150 hours or the amount required by your university – whichever is greater.*

The deadlines for applications are as follows:

2019 Spring Semester Deadline: November 30, 2018

2019 Summer Semester Deadline: April 26, 2019

2019 Fall Session Deadline: July 26, 2019

A completed application must be received including top 3 placement sites desired, days and times you plan to commit to completing internship hours and a criminal background check form must be submitted. We must also receive a letter from your university internship advisor/professor informing us that the internship is for class credit, the minimum number of hours required, and the advisor's complete contact information. Additionally, you will be asked to go through an interview/screening process. Once the paperwork is received, it will be reviewed, and you will be contacted regarding the interview date, time, and location. If accepted as an intern, you will be given the information for the mandatory orientation/training. **Please also note that space is limited. No applications will be accepted after the deadline.**

All of these steps must be completed before a student can be accepted in the program and begin interning with HCJPD. The fingerprinting process can take up to 2-3 weeks; therefore, please pay close attention to the deadlines and do not wait until the last minute.
