## **FY2018-2019 PREA Annual Report Sequel Youth and Family Service**

### **BACKGROUND**

The Prison Rape Elimination Act (PREA) was passed by Congress and signed into law by President George W. Bush in 2003 to prevent, detect and respond to sexual abuse that occurs in confinement settings. The National Prison Rape Elimination Commission developed national standards for reducing prison rape, which became final on June 20, 2012, when they were published by the Department of Justice (DOJ) in the Federal Register. PREA applies to adult prisons and jails, juvenile confinement facilities, lockups and community confinement facilities.

Implementation of the PREA standards in combating sexual abuse in confinement facilities will be contingent upon effective agency and facility leadership, and the development of an agency's principles prioritizing efforts to combat sexual abuse. The prevention of rape, sexual assault, or sexual misconduct is a top priority for Sequel Youth and Family Service. We have a zero tolerance for any incidence of rape, sexual assault or sexual misconduct; and makes every effort to comply with applicable components of the Prison Rape Elimination Act (PREA) of 2003.

### **Pursuant to § 115.387 of the PREA standards**

- (a) The agency shall collect accurate, uniform data for every allegation of sexual abuse at facilities under its direct control using a standardized instrument and set of definitions.
- (b) The agency shall aggregate the incident-based sexual abuse data at least annually.
- (c) The incident-based data collected shall include, at a minimum, the data necessary to answer all questions from the most recent version of the Survey of Sexual Violence conducted by the Department of Justice.
- (d) The agency shall maintain, review, and collect data as needed from all available incident-based documents, including reports, investigation files, and sexual abuse incident reviews.
- (e) The agency also shall obtain incident-based and aggregated data from every private facility with which it contracts for the confinement of its residents.
- (f) Upon request, the agency shall provide all such data from the previous calendar year to the Department of Justice no later than June 30.

Subsequently, these statistics are published in an annual report made public via the Sequel Youth and Family Services website, the annual report covers the reporting period from July 1, 2014 to June 30, 2015 and will provide the following:

- Sequel Youth and Family Services definitions;
